

Declaration of Incorporation Declaration of Conformity

Declaration of incorporation within the meaning of EC-Machine Directive 2006/42/EC, Apendix II, Part 1 Section B from the 17-05-2006.

Manufacturer: Rox-Klimatechnik GmbH, Langenbacherstrasse 25, D-57586 Weitefeld

We declare that the relevant technical documentation for this incomplete machine according to Appendix VII, Part B, have been issued and we commit to forward this on demand to the market regulators about our documentation department. The commissioning of the incomplete machine is prohibited until the incomplete machinery was installed in a machine and that the provisions of the EC Machinery Directive 2006/42/EC has received the equivalent of the EC declaration of conformity with Appendix IIA. If AHU's are changed without coordination with ROX, this declaration of conformity will lose its validation. We also declare that the following incomplete machine is in accordance with AHU-Eco-Design Directive 1253/204/EC.

Hereby we declare, that the type with

Designation of machine : Compact Cooler V3mod
Type of machine : Special
Order-Nr. : 44564232
Rox Commission-Nr. : 7532
Year : 2025

is in accordance with following relevant directives:

Machine Directive (EC-Directive 2006/42/EC)
Elektromagnetic Compatibility (EMC-Directive 2014/30/EU)
Low Voltage Directive (EU-Directive 2014/35/EU)
Pressure Equipment (EU-Richtlinie 2014/68/EU)

Applied harmonized standards, particulary:

DIN EN ISO 12100-1, DIN EN ISO 12100-2, DIN EN ISO 60204-1, DIN EN ISO 60335-1, IEC 60034-30

Applied national technical specifications, particulary:

technical data sheets
