

Declaration of Conformity

within the meaning of EC-Machine Directive 2006/42/EC, Appendix II, Part 1 Section A from the 17-05-2006, as within the meaning of the Air Handling Unit Eco-Design Directive (EC) 1253/2014/EC, Article 5 from the 07-07-2014 for implementation of the Eco-Design Directive 2009/125/EC from the 21-10-2009.

Manufacturer: Rox-Klimatechnik GmbH, Langenbacherstrasse 25, D-57586 Weitefeld

Herewith we declare that the machine (Air Handling Unit (AHU)) designated below are developed, designed and manufactured in accordance with the relevant basic health and safety legislation of the EC Machinery Directive.

Adherence to the EC Machinery Directive 2006/42/EC only relates to the following described product when it is operated independently and when the instructions of the manufacturer are followed. If AHU's are changed without coordination with ROX, this declaration of conformity will lose its validation.

Moreover, this declaration assumes a correct and a continuous monitoring, maintenance and attendance of the AHU in accordance with the current version of the Transport-, Installation-, Commissioning- and Maintenance Manual.

Hereby we declare, that the type with

Designation of machine : Supply / extract air unit Outdoor installation
Type of machine : HYD S
Order-Nr. : 1114_Rox_87396
Rox Commission-Nr. : 7331
Year : 2025

is in accordance with following relevant directives:

Machine Directive (EC-Directive 2006/42/EC)
AHU-Eco-Design-Directive (1253/2014/EU for implementation of EC-Directive 2009/125/EC)
Elektromagnetic Compatibility (EMC-Directive 2014/30/EU)
Low Voltage Directive (EU-Directive 2014/35/EU)
Pressure Equipment (EU-Richtlinie 2014/68/EU)

Applied harmonized standards, particularly:

DIN EN ISO 12100-1, DIN EN ISO 12100-2, DIN EN ISO 13849-1, DIN EN ISO 60204-1, DIN EN ISO 60335-1, DIN EN 349, DIN EN ISO 13857, DIN EN 1886, DIN EN 378-1 bis 4, DIN EN 13779, DIN EN 13053, DIN EN 308, DIN EN 61000-6-1 bis 4

Applied national technical specifications, particularly:

technical data sheets

Agent for the compilation of technical documents:

(Hermann Solbach / CE-Agent)
