

## Declaration of Incorporation Declaration of Conformity

Declaration of incorporation within the meaning of EC-Machine Directive 2006/42/EC, Appendix II, Part 1  
Section B from the 17-05-2006.

Manufacturer: Rox-Klimatechnik GmbH, Langenbacherstrasse 25, D-57586 Weitefeld

We declare that the relevant technical documentation for this incomplete machine according to Appendix VII, Part B, have been issued and we commit to forward this on demand to the market regulators about our documentation department. The commissioning of the incomplete machine is prohibited until the incomplete machinery was installed in a machine and that the provisions of the EC Machinery Directive 2006/42/EC has received the equivalent of the EC declaration of conformity with Appendix IIA. If AHU's are changed without coordination with ROX, this declaration of conformity will lose its validation.

Moreover, this declaration assumes a correct and a continuous monitoring, maintenance and attendance of the AHU in accordance with the current version of the Transport-, Installation-, Commissioning- and Maintenance Manual.

Hereby we declare, that the type with

Designation of machine : Recirculating air conditioning systems, indoor installation  
Type of machine : special  
Order-Nr. : 16037232  
Rox Commission-Nr. : 7543  
Year : 2025

is in accordance with following relevant directives:

Machine Directive (EC-Directive 2006/42/EC)  
Elektromagnetic Compatibility (EMC-Directive 2014/30/EU)  
Low Voltage Directive (EU-Directive 2014/35/EU)  
Pressure Equipment (EU-Richtlinie 2014/68/EU)

Applied harmonized standards, particularly:

DIN EN ISO 12100-1, DIN EN ISO 12100-2, DIN EN ISO 60204-1, DIN EN ISO 60335-1

Applied national technical specifications, particularly:

technical data sheets

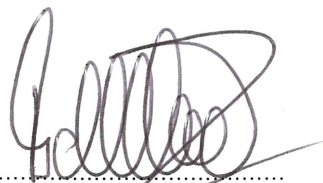

Agent for the compilation of technical documents:

  
.....  
(CE-Agent)

EC-Declaration of conformity was issued:

Weitefeld, 02.12.2025
